

Sea Ray *S* 280 Bow Rider

The bow seating is really more of a bow lounge with plenty of room to stretch out on the dual front seats or convert it with an insert to make one big sun pad. The cockpit is perfect for entertaining thanks to the wet bar with sink and faucet, trash receptacle, and storage cabinet with a handy bottle rack. The crew will be comfortable in the U-shaped cockpit lounge that stimulates conversations and there's even a removable table for snacks and drinks that also inserts up in the bow lounge.

This Boat is far away the best choice you can make to have an unforgettable day in Ibiza!! Have fun!!
